

## Music for Your Inner Pirate

Boating World Magazine  
August, 2008

Based in the Dallas/Fort Worth, Texas area, the Bilge Pumps are a pirate music group that know a thing or two about shenanigans and sea songs.

The band performs all over the country with a unique arsenal of antics, musical skill and pirate pizzazz. These buccaneers are in high demand at festivals, fairs and local pubs.

Really though, what could be more fun than singing along as the Bilge Pumps chant, “The ocean we all do adore/So come on lads let’s pump some more/Don’t worry if you’re stiff and sore/I’m sure we’ve pumped this bit before.”
